Network News

Twitter accounts: it would be very helpful if we could have a list of all Twitter accounts that are used in our region – either the library or your personal Twitter details if you are happy to share? The list will be stored on our South Libguide. Please send the details to Kerry Flett Kerry.Flett@porthosp.nhs.uk

Mentor/Buddy. A great opportunity to share your professional Knowledge and expertise. We are creating a list of people that are willing to be a mentor or a buddy to new staff joining our region or existing staff that want to build confidence or develop new skills. This is a great opportunity for you to develop your own skills but also support other colleagues in our region. If you are part of STandS, or the Clinical Librarian COP then let your chair or vice-chair know. Any other skills, please contact our CPD lead, John john.loy@nbt.nhs.uk

The Clinical Librarian COP have added a Padlet wall to their libguides page. Their first question is ‘How do you collect feedback’ Replies are anonymous – check it out and let us know. https://southlks.libguides.com/clinicallibrarian/home

Always include the name, date and venue of any event/study day/conference and also ensure that you put your name, job title and organisation at the end of your piece.
